1.2 Contract termination

This contract terminates in the event of unjustified withdrawal by the Subgrantee of the current fulfilment of its Contract obligations. "Unjustified withdrawal" covers any situation out of "Force Majeure" qualification which determines the absence of performance of the Subgrantee contractual obligations.

Article 2 – Obligations and Responsibilities of the Subgrantee

The obligations and responsibilities of the Subgrantee are defined in detail in the Annex 2 - Guidelines for Applicants.

In order to receive funding from the Farmtopia consortium, the Subgrantee that has been declared the winner of the Farmtopia Open Call must submit the relevant deliverables. Only after they have

been given positive feedback regarding their deliverables from the Farmtopia consortium, shall they be entitled to the funding from the Farmtopia consortium. Upon receiving positive feedback regarding their deliverable, the Subgrantee must send the Request for Payment and a Certificate of Tax Residence to the Treasurer in order to receive the funding.

In case the deliverables have not been evaluated positively, the Farmtopia consortium will ask the Subgrantees for additional clarifications. This could affect the timing of payments, as the positive review of the deliverable is the trigger for releasing the respective payment.

In case the Subgrantee does not comply with the additional request by the Farmtopia consortium or if the deliverables are not accepted upon receiving additional clarifications, the Farmtopia consortium reserves the right to terminate the contract automatically. In such case, all financial transactions made by Farmtopia towards the Subgrantee (if any at a designated time) must be reimbursed within 10 calendar days upon receipt of an official contract termination.

Additionally, the Subgrantee shall take every necessary precaution to avoid any risk of conflict of interest relating to economic interests, political or national affinities, personal or any other interests liable to influence the impartial and objective performance of the subproject. If the Subgrantee is involved in a conflict of interest or is at risk of conflict of interest, the Subgrantee must formally notify the Farmtopia Consortium Partners without delay and immediately take all necessary steps to rectify this situation. More information on what constitutes a Conflict of interest is available [HERE](#).

The Subgrantee is obligated to comply with the Article 9.4 "Recipients of financial support to third parties" of the Horizon Europe Model Grant Agreement.¹

Article 3 – Breach of Contractual obligations

In the event of the breach of the contractual obligations by the Subgrantee, the Farmtopia consortium reserves the right to claim the Subgrantee the full refund of all payments made to the Subgrantee up to date and suspend all further payments. The Farmtopia Consortium shall determine the breach of the contractual obligations by the Subgrantee. The provision of false or misleading declarations by the Subgrantee or any unsolved situation of conflict of interest constitutes an example of a breach of contractual obligations by the Subgrantee.

Article 4 – Financial contribution and financial provisions

4.1 Maximum financial contribution

The maximum financial contribution to be granted by the Farmtopia consortium to the Subgrantee shall not exceed the amount of 100,000€.  - Banking and transaction costs charged by any of the banks related to the handling of any financial resources made available to the Subgrantee by the Treasurer shall be covered by the holder of the bank account which originated the cost. - Payments will be released by the Treasurer no later than ten working days after the notification of deliverable acceptance and the Request for payment,
- The Subgrantee is responsible for complying with any tax and legal obligations that might be attached to this financial contribution.

4.3 Payment schedule

The payment schedule is directly linked to the relevant stage of the Subgrantee's project as per Annex 2: Guidelines for Applicants.

Article 5 – Liability of the Subgrantee

Neither the Project Coordinator, the Treasurer nor the EC can be held liable for any acts or omissions of the Subgrantee in relation to this Contract. At the same time, the Subgrantee is responsible for any act or omission that causes damage to the Coordinator, the Treasurer, and/or the EC in relation to this Contract. The Subgrantee is also solely responsible for any damages that might come to third parties as a result of the Subgrantee's activities.

The Subgrantee shall bear sole responsibility for ensuring that their acts within the framework of this Contract do not infringe third parties' rights. There is no joint liability between the Contracting Parties.

Article 6 – Confidentiality

With respect to all information of whatever nature or form as is disclosed between the Contracting Parties in connection with the subproject and identified in writing as confidential, the terms of this Article shall apply.

Any default of a service, defect in equipment or material or delays in making them available, unless they stem directly from a relevant case of force majeure, as well as labour disputes, strikes or financial difficulties cannot be invoked as force majeure.

The Contracting Parties shall take the necessary measures to limit any damage due to force majeure. They shall do their best to resume the implementation of the action as soon as possible.

No contracting party shall be considered to be in breach of its obligations and tasks if Force Majeure causes such breach. A Contracting Party will notify the other Contracting Parties of any Force Majeure as soon as possible. In case the Subgrantee is not able to overcome the consequences of Force Majeure within 10 (ten) days after such notification, the Farmtopia Consortium will decide accordingly, including the termination of the Contract.

Under these conditions, the Subgrantee is exempted from the obligation to obtain prior permission from the EC to use the emblem. Further detailed information on the EU emblem can be found on the Europa web page.

The Subgrantee shall ensure that the information is readily available on the spot at the moment of audit and, if so requested, the data must be handed over without delay and in an appropriate form.

On the basis of the findings made during the financial audit, a provisional report shall be drawn up. It shall be sent by the EC or its authorized representative to the Subgrantee concerned, which may make observations thereon within one month of receiving it. The EC may decide not to take into account observations conveyed or documents sent after that deadline. The final report shall be sent to the Subgrantee concerned within two months of the expiry of the aforementioned deadline.

On the basis of the conclusions of the audit, the EC shall take all appropriate measures which it considers necessary, including issuing recovery orders regarding all or part of the payments made by it and the application of any applicable sanction.

The European Court of Auditors shall have the same rights as the EC, notably right of access, for the purpose of checks and audits, without prejudice to its own rules. Article 17 – Do Not Significant Harm

Subgrantees must always respect the 'Do Not Significant Harm Principle'. The Commission Communication on the European Green Deal introduced the green oath to 'do no harm'. The 'Do not Significant Harm' (DNSH) principle has been further specified in the EU Regulation on the establishment of a framework to facilitate sustainable investments (**Regulation (EU) 2019/2088**), commonly defined as the 'EU Taxonomy Regulation'. Six environmental objectives are listed in Article 23 of the EU Taxonomy and Article 17 specifies what can constitute a 'significant harm' for these objectives. Thus, the regulation provides that no measure should lead to significant harm to any of the six environmental objectives within the meaning of Article 17 of the Taxonomy Regulation.
